

The Wild Hauntings of the Moors

1. Start at the entrance to the Churchyard
2. At the end of the path, turn left down the steps and then immediate right
3. After walking past the allotments and then the carpark on your left, turn right up a track suitable for vehicles (this is an access road so there are occasionally cars and tractors)
4. At the top of the track, cross Dimples Lane to reach Penistone Hill
5. The circular route on Penistone Hill is a suggested route, just feel free to wander
