

Haunted Haworth Risk Assessment

Name

Adam Sargant

Date

1 March 2023

Activity being Assessed

Ghost Tours in Haworth

Hazard associated with Activity:

Transmission of Coronavirus Covid-19

Who is at risk?

1. Tour guide (Adam Sargant)
2. Attendees

Potential severity of harm:

Covid-19 has a risk of death estimated between 1% and approx 3.5%

Non-fatal cases have long term consequences as yet not fully understood ("long covid")

Pre-existing mitigating factors

All Ghost Tours take place outdoors

Control measures

1. All aspects of walk take place outdoors
2. Guide to remain at least 1.5m from attendees where ever possible
3. Guide has 3 vaccinations and will show evidence on request
4. Guide to regularly take lateral flow tests

Circumstances requiring action

1. Suspicion of, or diagnosis of, Covid-19 in tour guide
2. Reporting of suspicion of, or diagnosis of, Covid-19 in any attendee

Actions to be taken

In all cases: All future tours to be cancelled for the next 14 days and, if tour guide shows symptoms, until tour guide has self-isolated in lines with NHS guidelines. Attendee contact details to be passed to NHS Track and Trace.
